

EPISODE 1: THE CLOCKWORK GARDEN

CREDITS AND THANKS

First and foremost, thank you Featherblade, for being my partner in madness. I can't think of anyone else who could deal with the weird projects that you go along with, and I'm happy to call you one of my best friends.

The Voxelbox Community - I'd like to thank all of the admins and members who continuously support us, not only within the community but outside of it as well. We're happy to be able to work and play with such an amazing group of friends.

Ridgedog - for not being a butt. We love you Ridge! :->

Plusnine - for helping to make the visualization of Jeffy a reality in the awesome Jeffy skin!

Aitren and Sorrowl - for taking the time to compose music just to add a little more ambience into our game

The Multiplay UK community for providing this competition and giving us a reason to try something new.

and last, Mojang, for giving us the platform that allows us to make anything that pops out of our minds.
(now...could you add more half blocks to the game.....please?)
